

#### **D. VERIFICATION OF ADDRESS**

Verification of a parent's residence shall be required at the time the child registers in a District school. Verification of residence may also be required at any other time at the discretion of the Superintendent. The student shall reside with the parent placing the student in the attendance area of the school.

Verification required includes two (2) of the following items:

- A. broker's or attorney's statement of parents' purchase of residence, or properly executed lease agreement;
- B. current Homestead Exemption card;
- B. electric deposit payment receipt or electric bill, bottom portion, showing name and service address.

If verification is not provided or acceptable, the Superintendent may verify the student's residence.

If an electric deposit payment receipt is used as verification, the electric bill, bottom portion, must also be submitted to the school within forty (40) calendar days after registration. If the parent is unable to furnish the school with the requested electric deposit payment receipt, the student will be allowed to enroll in the new school, but must submit the electric bill, bottom portion, to the school within forty (40) calendar days.

When a change of family residence occurs after ninety (90) school days in which a student is enrolled in a school which would place the student in a different attendance area, the student, upon the request of the parent, may complete the year in the present school. No transportation will be provided.

When a change of family residence occurs after ninety (90) days in which a student is enrolled in grades 11 through 12, or is enrolled in the last grade offered at a school, which would place the student in a different attendance area, the student, upon the request of the parent, may remain in the present school through graduation (for grades 11 through 12), or the last grade offered at the school. No transportation will be provided.
